## Contract Review & Negotiation Services at Fixed Rates

- Lower your legal expenses.
- Improve contracting efficiency and turnaround time.
- Enhance the quality of your contracts.

Most organizations enter into a diversity of vendor contracts. Reviewing and negotiating these contracts can be time consuming and distracting. Mr. Effrain can efficiently and economically process such contracts to your specifications, allowing your organization to focus on other matters.

\* A carefully reviewed and negotiated contract is the best way to protect your legal rights and business objectives.

\* Paying an experienced lawyer to handle these contracts does not need to be expensive.

\* Mr. Effrain has over twenty years of experience drafting, preparing, reviewing and negotiating various business and vendor contracts.

Whether you need assistance with an overflow of vendor contracts from time-to-time or have a steady stream of contracts, Mr. Effrain can help you to lower your legal expense and improve the quality of your contracts.

Mr. Effrain also provides special rates to draft and prepare contracts tailored to your specifications and objectives.

It is not necessary to spend excessive amounts on reviewing and negotiating vendor contracts. These contracts can be handled in an efficient, cost effective manner.

Take your contracting to the next level. Contact Craig Effrain to discuss at [craigeffrain@lawyer.com](mailto:craigeffrain@lawyer.com) or by calling 646-415-8489.
